Subject:- Design and construction of New Corporation Offices along the Queens Road, Bangalore-Creating the post of an Architectural Draughtsman.

In inviting your kind reference to the letter No. L.3366/C M.23-55-27 dated 27th June 1955 addressed by the Secretary to the Government, Education and L S.G.Departments, to the Commissioner, Corporation of the City of Bangalore a copy of which has been forwarded to the Chief Engineer and to this office in Memo No.L.3367-68/C.M 23-55-27 dated 27th June 1955, I write to submit that the suggestion of the undersigned is sought, on the subject cited above.

As the proposed new corporation office is going to be one of the most important and imposing buildings in Bangalore, it is necessary to prepare the architectural design, layout and the working drawings of the new building well in advance, before the actual construction is taken up. The estimate can be prepared only after the design and the working drawings are prepared. It is therefore very essential to create the post of an Architectural Draughtsman in grade of Rs.150-10-200.— Very early to take up the design work in this office.

The Government may kindly be addressed in the matter and sanction for the post of an Architectural Draughtsman may please be obtained early.
